GRANT APPLICATION GUIDELINES

1. Submit 2 complete applications (cover sheet and pages 3-4) and 4 extra copies of pages 3-4. To be reviewed, applications must be typed/word processed with legible copies. You may put the format on your computer, but do not exceed space limits - 1 cover sheet, 2 pages of narrative, and budget attachments if needed.
2. Grants will be reviewed anonymously. Please do not use names of people or school within the narrative section of your grant or on the budget (pages 3-4, order forms, etc). Proposals will be disqualified if names are included.
3. Grants will be reviewed as soon as possible after the closing date. Grant recipients will be notified by telephone. Letters will be sent to individuals whose grants were not funded (the letter will include suggestions for strengthening the grant so that it can be resubmitted). Unless the committee makes other arrangements, checks will be distributed at the IRA meeting following the review.
4. Applicants must be comprehensive members of Guam Council IRA and membership dues must be current. UOG students who are comprehensive members may apply for a grant if they plan to use the books for student teaching and/or leave the books in the classroom. Members are restricted to one grant award per academic year. Members who have not received a grant in the previous 2 years will be given special consideration.
